## **A new asylum application, a so-called follow-up application according to § 71 of the Asylum Act**

- If the situation in your country of origin has changed a lot or you have new evidence why you are in danger there, a follow-up application may make sense.
- If you have a serious illness and have doctor's letters, a follow-up application may also make sense.
- But you need the support of a lawyer or a counseling center! Please do not simply go to the BAMF alone and file an application, get advice beforehand.
